

Helpful hints and suggestions for your wedding day...

what to bring:

Bring your headpiece, veil, flowers, hair ornaments, or any other special touches you want the stylist to add to your special look. If you are having your make-up done, you need to bring water-proof mascara.

attire:

Wear something with a button down front or with a large neck so you will not mess up your hair when you change into your formal attire.

short hair formal style:

Come as you are. This style includes a scalp massage, shampoo, blow dry, curl with a thermal iron, and finishing touches.

long hair formal up-do:

This includes any style (long or short), which is to be put up partially or fully by use of bobby pins, hair pins, headpiece, hair ornaments, knotting, braiding or any other up-do techniques. This also includes any hair shoulder length or longer which is to be worn down requiring thermal curling or setting. Please come with clean dry hair that is NOT freshly washed. Please do not use any oil-based hair products such as coconut oil, Moroccan oil, or Argan oil. Please do not have your hair in a tight ponytails or braids, for it will leave marks in hair.

enjoy:

This is your special day, so make it a party. Gayle's Salon & Spa provides coffee, teas and mimosa for your refreshment; however, please feel free to bring in any food, catering or celebratory beverages that you and your party would like to have.
